CREATIVITY

The Edge

HIGH UP

Copper neon shining lights
Paper people suspended
By strings of thought
The guitar twangs
Repeating its plea
Synthetic sounds
Minds turning on
Moving into an oblivium
Of flashing orange
Everything moves-
Blue swirling images
Of sanity vanishing
Creeping overtaking
The brightness - to black

The universe beginning
The edge clear to view

HIGH DOWN

Reality is there somewhere
With elongated arms
Reaching for my soul
Probing its depths
Tomorrow those arms
Will interlock-become one
And the groping will cease
Until then...
I stand in this windowless tower
Eyes open looking down
Behold the infinity
Everything illuminated
Calling means nothing
A surface to cover -
A space so large
We can't envision it

Arien Heath

Unanswered

Why?
If his hand had only three fingers
Or one leg deformed and he a cripple
Or scars all over his face -
I might understand.

Why?
If we had no invention called "scissors"
Or no looking-glasses
Or no apparatus to separate and comb our outer hair-
I could possibly agree.

Why?
If his motto was "never to soap"
Or his aim to be one of the "great unwashed"
Or he wore mud-caked garments -
Perhaps I could comprehend.

Why?
With natural resources diminishing
And half the population in the world of starvation -
And riots and death among the innocent -
Is hair that important?

Canada: Case History

Today they did not come
We wanted them to
We wanted them to play with us
We were promised they would come
And told of the things they brought
But we did not know
How their presence would affect us

As time went by
We made room for them
We thought that we could count them
On one hand
We were wrong
Thousands came
Thousands of new Canadian snowflakes

Nature Omnipotent

There is beauty in a still, clean forest
Seen, white, snow-blanketed, majestic,
While walking through it, unimportant;
And in a green field of clover
Where I lie down to rest,
Suddenly small under a perfect sky
To think and feel.

There is beauty in a green monster wave,
Taking out its fury, boasting its power,
Crashing and foaming on ancient rocks,
Always different, yet never-changing;
And in the seemingly-pure sand
Laughing, as generations of meandering foot-steps
Are erased by a greater power than
Lovers' memories.

There is beauty in a mountain, constant, wise,
Framed by an unreachable orange horizon,
Looking down at our absurd and temporary lives,
Out-lasting, with patience, our total self-involvement;
And in a thousand other images
That serve as everlasting witness to power
For all mankind.

Helen Douglas.

FRONT ROW: B. Hutchings, M. O'Grady, R. Knell, R. Mallory, R. Sheik, B. Fields, R. Merritt.

This year the members of the association consisted of volunteers from all grades instead of class reps, as in previous years. Under the guidance of Mr. Waldie and Mr. Neff, the B.A.A. raised funds by sponsoring a dance, together with the G.A.A. and participating in the pen drive. In spite of the lack of interest in the B.A.A., a number of students have managed to organize a variety of intramural sports, such as touch football, broomball, and floor hockey.

Girls' Track & Field

BACK ROW: J. Reid, K. Ladd, L. Brett, J. Sloan, S. Powell.
FRONT ROW: S. Rafferty, B. Walser, R. LeRoy, S. White, G. Muir.

This year our Girls' Cross-Country team placed well in the one and only meet of the season. Our junior team, led by Karen Ladd, the winner, finished in first position, while our senior girls achieved second place. Next fall we hope to see a bigger turnout.

Bell had another victorious year in cross-country running. Our team this year was very balanced in junior, intermediate and senior. In the city finals we had a very close race for the intermediate title however, we lost to Canterbury by one point. We came away with the Aggregate trophy for the best team. In the Valley Meet, we won the Intermediate award and also low aggregate.

HOCKEY

As usual, Bell did well in hockey this year. Our first drive was to win four games, which enabled us to go to the Ottawa University Christmas Tournament. We defeated Toronto Agincourt and Toronto de la Salle to become consolation winners. We were undefeated for 15 consecutive games, until Merivale beat us 4-3. We finished the season with an 18 and 2 record to win the Western Division title with 36 points.

We did well in the quarter-finals, but were defeated in the semi-finals, losing to Sir Wilfred Laurier in two straight games.

We would like to thank our fans for their enthusiastic support throughout the year.

BACK ROW: G. Porter, G. Young, B. McPherson, S. Rome, B. Allen, B. Benesko, K. Brousseau, P. Brousseau.

In the past season, the team posted a record of 11 wins and only 1 loss in regular play, to take the title and trophy. In quarter-final action, we narrowly slipped by Lisgar with a two point margin in the over-time of a sudden-death game.

In the semi-finals against St. Joseph's, we were edged out by just one point in a two-game total point series. St. Joseph's went on to win the City Championships. Next year, watch the Juniors!

In the play-offs, the team was defeated by St. Pius in a two-game total point series. Next year will see the return of most of the regulars, and a championship intermediate basketball team.

CHEERLEADERS

LEFT TO RIGHT: S. Smith, M. Murray, B. Turner, C. Prok, C. Burchell, B. Buchanan, M. Carmen, S. Langford.

During the past year, the Cheerleaders have participated in many activities, including pen assemblies, bake sales, dances, but their main purpose has been to foster school spirit at Bell. Spirit Week brought an exciting tension-filled hockey game against the Bell team, which ended in a tie - no thanks to "Dirty Forbes". The Cheerleaders entered the C.F.R.A. Cheerleaders Contest, but the judges felt they would keep the title for Bell next year.

FRONT ROW: Mrs. Brumer, A. Kerr.

The Reach for the Top team did very well this year. The team, under the excellent coaching of Mrs. Brumer, defeated Glebe, Arnprior, Sir Wilfred Laurier and Laurentian in some very exciting games. In the finals for the Ottawa area Bell led Canterbury all the way until the last two minutes of the game. The team would like to thank Mrs. Brumer for her patience and enthusiasm in preparing them for the games.

BAND

We sincerely regret that no band picture was available this year. Both bands have been working hard. Under the experienced guidance of Mr. Wood and Mr. Van Gijn, several concerts both here and at other schools, were enjoyed. At the time of printing, there are plans of entering the Ottawa Music Festival, and having an exchange to Burlington for the senior band. The members of the senior band executive in 1970-1971 were Adele Cummings, President; Eric Ferguson, Els Hilkes, Joint Vice-President; and Caroline Bowes, Treasurer. The members of the junior band executive are Andrea Prokopowich, President; and Wayne Pettis, Vice-President.

THE EDITOR'S MESSAGE

Bell's Yearbook for 1970-'71 was completed with a lot of hard work, "tearing of hair and gnashing of teeth". At times, we felt that the job would never be finished, but in fact, we were less than a week late with our final shipment.

Compiling the Yearbook was not all hard work: there was the time when we cut the left side off a student's face, when I broke two chairs in one day, when Els made a paper-airplane out of Mr. Robillard's message, and when we had our final pizza session.

I would like to thank Mrs. Jeays, who kept our morale up by returning every page to us at least twice (but we love her anyway.) Els Hilkes did excellent work on the class pages, and Sue Riley and Nancy Flood were competent jacks of all trades. We are grateful to Donna Hall for the original dividers that she did for us, and to Bruce Field, who designed our cover. Credit should also go to John Perrins for his photography.

This year, we have tried to present well-balanced pages, wasting as little space as possible. We feel that our use of captions has helped to portray life at Bell. Unfortunately, the lack of time and space did not allow us to put in all the material that we wanted to.

I would like to wish good luck to all the students and staff of Bell High School, and to next year's Editor - lots of enthusiastic help.
