

Yearbook Staff

Through all those late Saturday nights during which we worked so hard to get the 73 Campanarius finished, everybody showed tremendous fortitude in working until 12:00 P.M.; but the year was not spent wholly on Saturday nights. We worked every night until the late buses left.

We started the year in the old hole next to B-1, B-2, but soon moved to our new spacious office across from B-4, which we shared with the caretaking staff.

It was the first year for most of the yearbook staff, they learned quickly and produced the product you see.

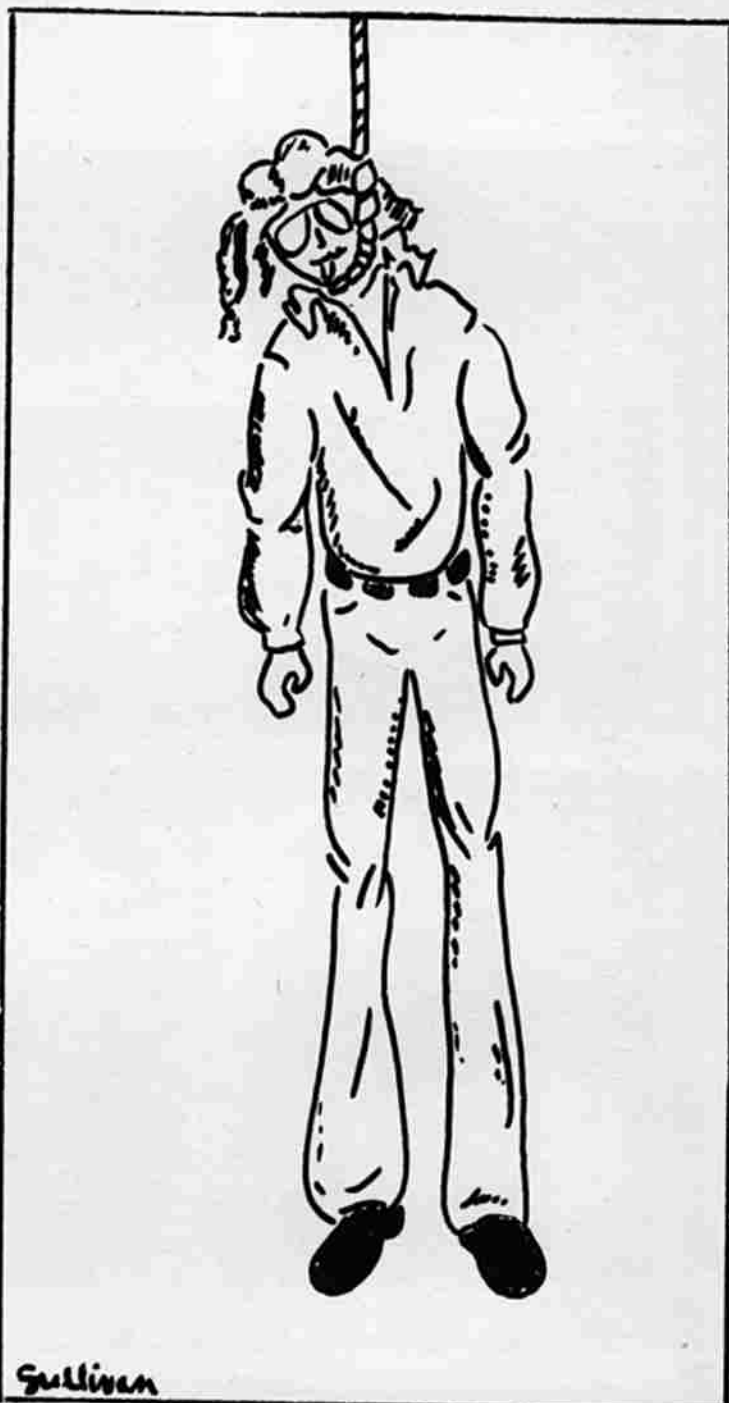

I'd like to thank Mr. Murawsky whose first year it was also as adviser for helping us by checking every page. Next I'd like to thank Chris Jones and Will Hintz for the long hours spent organizing people into rows and fighting with Marc Gerin-Lojoie. Cindy Steves, Cathi Dixon, Karen Gochnauer and Rob Mac Millan deserve thanks for working after school and at lunch time. Rick Sullivan was superb as staff artist. John Raine, Drew Bremner, Anthony and Richard Partner sold yearbooks in the ticket wicker every noon hour. The secretaries tolerated our countless intrusions into their office asking for all sorts of paraphernalia.

I will long remember the beer bottle scandal, the confusion of the grade 13 write-ups, the professional photographer who misplaced a whole grade 12 class and all the little crisis that made this year unforgettable.

Thanks to everybody again, see you next year.

OTTAWA-VALLEY CHAMPIONSHIP!

This year was the year for the junior girls volleyball team. The team players came in all shapes and sizes - from 4'10" to 5'10" high - 95 to 155 lbs. This was the combination that achieved our honoured goal.

To begin with, it was necessary to place 1st or 2nd in our division. We placed first with a record of 18 wins out of 20. We earned 36 points to capture first place, and our rivals, Sir Robert Bordon, came in second with only 24 points. We had sole possession of first place, and now we were out for the Carleton championship.

The first of the semi-finals was against Colonel By. We won three straight games against tough competition. Next came the Carleton finals against Merivale. We romped through a round robin series winning 15-0, 15-3, and 15-8, and became the "Carleton Champions."

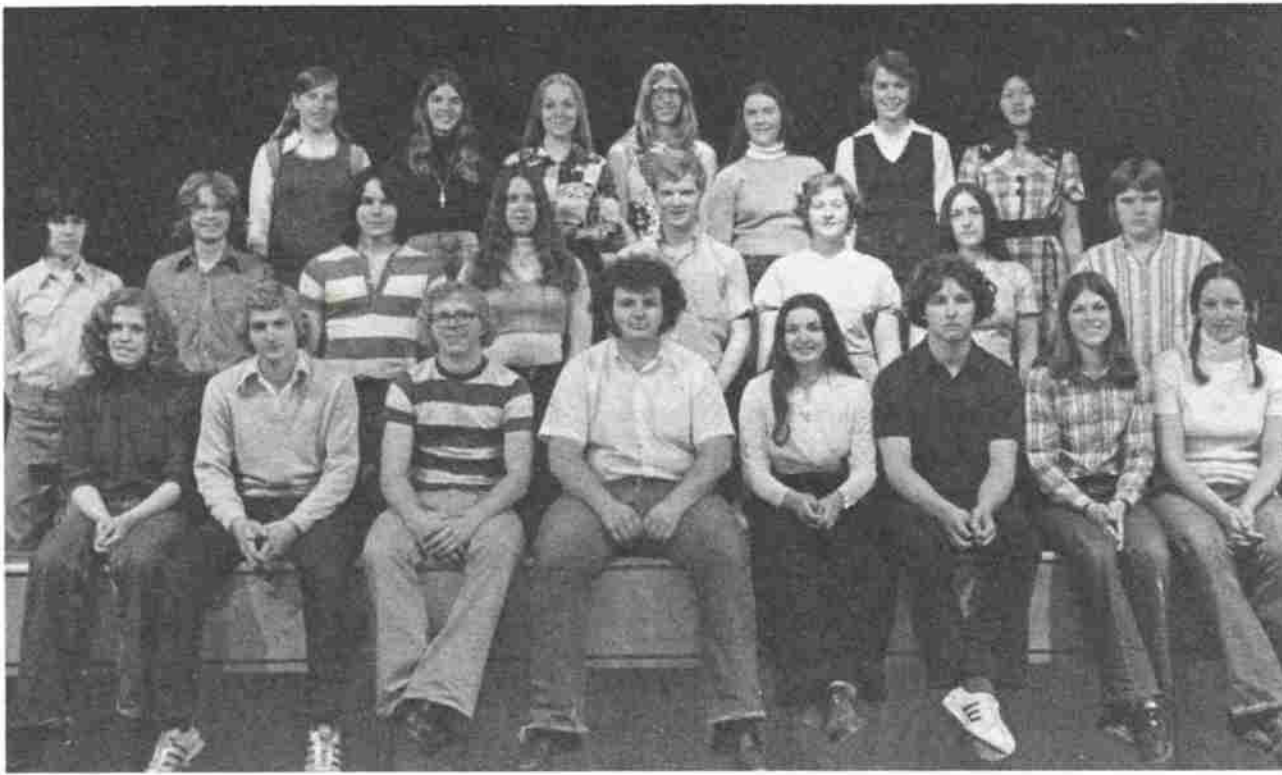

We had 4 days of hard training before we were to represent Carleton in the Ottawa-Valley Championships. On the morning of Saturday, Feb. 24, we were ready to play our best. The first games of the tournament was against Laurendeau. It took us a while to shake off the tension, but we won 2 straight games. Our next two games were against Nepean. We lost the first game, but we came back in the second with a 15-3 triumph. We played Armprior next and we won two straight games.

Now it was time to determine the winners. The results were out and we were tied for first place with Nepean, each of us having a record 5 wins out of 6. It was necessary to play a sudden-death game to determine the Ottawa valley Champions. Nepean had first serve but it was all our way and we won 15-3. The feeling, watching the ball hit the floor on the last serve, couldn't be put into words.

Ottawa- Valley Champs

Everything was won with a lot of team effort, and for this reason it is impossible to pick out the most outstanding player. However, the secret behind our success was our coach, Miss Ronning, who trained and coached us with great determination. Miss Ronning was definitely the most outstanding, considerate, and patient coach that the junior girls ever had. If anyone deserves credit it should be her. We ended the season with this official record: 30 wins out of 33 games, and an unofficial record 55 wins out of 60 games.

The Boys Volleyball Team had quite a successful season. The strong showing indicates even greater success next year. The team would like to thank Mr. Nugent for his coaching and enthusiastic encouragement during the season.

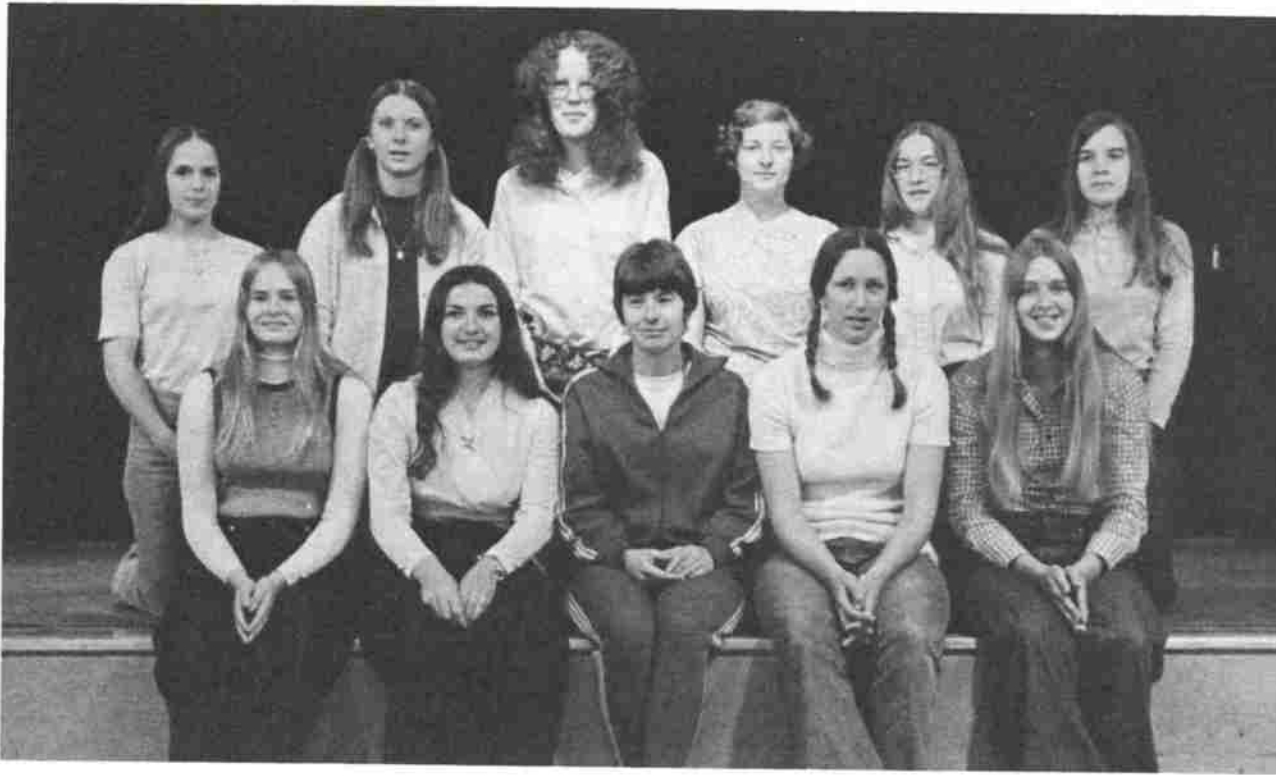

Boy's Volleyball

Tennis Team

This year's tennis team had no coach until tournament time, but did very well. In the Carleton meet, Bell placed second behind Sir Robert Borden and five players, (one singles, two doubles), won their events and went to the Ontario championships in Toronto. Though they were not victorious, Bell should be proud of their accomplishments. These five were John Jenkyns, Paul Gruno, Ian Gilchrist, Jane Roberts and Sue Tessier.

BACK ROW: Gino Bernardez, Paul Gruno, Ian Gilchrist, Peter Green, Jane Roberts, Stan Turner. FRONT ROW: Mary McKenna, Marie Belec, John Jenkyns, Sue Tessier, Debbie Shenfield.

BACK ROW: Sue Tessier, Ann Charuba, Sue Owen, Jamie Seely, Karen McGuire, Wendy Hitchcock. FRONT ROW: Sharon Collins, Marion Fairbairn, Mrs. Webb, Kathy Kingsbury, Karen Malcolm.

Sr. Girls Volleyball

Though the Senior Girl's Volleyball team did not have the best season in the world, all the players gave it their very best at all times. With such enthusiasm and another year's experience behind them, Bell can look forward to a real contender next year. The team thanks Mrs. Webb for her enthusiastic coaching during the season.

This year the curling team had a perfect record. (0-11). All our thanks for Mr. Peyton's support. Allen Stewart, Ken Stewart, John Raine, Don Rowe, Mark Simpson, Mr. Peyton, Coach.

This year proved very fruitful for the seniors. Running backs: "Bernie" Brennan, "Patches" Ruddy and "Crunch" Mallory, all showed up on the top ten school scorers, while the team went through the season with only one loss (to Borden) out of the six games played.

In the quarter-finals we squashed Borden 17-0. An extremely powerful defense broke any teams efforts to advance across any of the lime lines. Credit goes to the animalistic instincts of Doug Eastman, Cam Thompson and both Romes.

Merivale had Lady-luck on their side when they beat us 8-7 in the semi-finals on a cold wet day. None the less we ended our eight games with only 21 points scored by the opposition and 177 scored for Bell.

BACK ROW: Mr. Waldie, Stan Pokrywa, Doug Eastman, Doug Stubbs. FRONT ROW: Peter Green, Chris Mahoney, Bruce Watson, Brett McAteer, Bruce Milne.

The Bell Senior Basketball Team had a fine season ending up in first place in their division. They finished the season with an outstanding record of ten wins and three losses. In the championship game of the Carleton High School finals, the seniors lost a heartbreaker, missing out by only one point to Merivale. Many thanks to Coach Waldie for making this year's team so successful.

Sr. Girls

Rumours said that the Senior Girls' Basketball team did not exist. This is not true. Once we hit the semi-finals, we suddenly acquired a band of loyal fans. This encouraged us. For the finals, through vigorous advertising, (and mugging in the halls), we acquired even more fans. Unfortunately, we lost a close best of three series.

Thanks to Channel 3, we were able to see our blunderous mistakes in living black and white. We asked for a centrefold in the yearbook, but were told that we did not have enough! ?!

P.S. We thank you Mrs. S.R.L.M. McN. You are a great lady and a great coach.

Junior girls' basketball turned out pretty good this year. Out of the 12 regular season games they only lost 3. One of the losses was by 1 point to Merivale and the only other teams who managed to outscore Bell were Confederation and Borden. At the end of regular season play, Bell was tied with Confederation for second place in their division with Borden holding first place. Because of the tie, they had to play a sudden-death game. Confederation came on strong at the very beginning and managed to rack up some quick points. The girls fought really hard throughout the whole game but they couldn't score enough to win. It was nice to know that Confederation was soon knocked out in the semi-finals.

Credit must go to Mrs. Webb, whose able coaching was the main reason for our success. Thanks must also go to the fans who came out and supported us and all the scorers and timers who had to miss classes to go to our away games (though I'm sure they didn't mind).

BELL BRUIN HOCKEY

This was the year that was! This was supposed to have been our year to re-build the team with younger players, to give them some experience in high school hockey with Friday night fans, with pressure, and look what happened! To a small nucleus of players from last year we added a strong contingent of new talent. From the very first practice we were impressed with the enthusiasm shown by every person who "tried out" for the team. We would have heart and desire if nothing else.

This year's team showed a real capacity to settle down and learn the fundamentals of sound hockey. We stressed physical condition in the early stages with a combination of skating skills and individual techniques. Later in the year more emphasis was put on team play and conditioning.

The first unifying force of the year was the tremendously successful 1st Annual Bell Skate-a-thon. We feel this really gave the team a lift. \$1500 would give anything a lift. The money went to finance the trip to North Bay, and other major expenses. First prize this year went to Mr. Murawsky's 9j class who raised over 90 dollars. Well Done! During the Christmas holidays the team travelled to North Bay for the Algonquin Invitational Tournament. Unfortunately we got off to a poor start and lost our first game out 8-3 to Dorchester from London. On sheer determination we beat Chippewa of North Bay in sudden death overtime 4-3. This set a trend - we had found that with supreme effort we could win. After that we easily defeated Welland 3-0 to become Consolation champs. It was a great tournament and the emotional turning point of the year. We were now a team!

The regular season ended with the 4-1 defeat of South Carleton on Home ice. At this time our record was 11 wins, 5 ties, 5 losses to finish out of 1st place. The first game of the Carleton semi-finals was a disaster, 5-1 for South Carleton. We let them play their kind of game -

aggressive. The second game Bell won in overtime 3-2 and it was a tremendous Friday night battle. The cheering prodded the team on. This kept us alive! The next Monday, we were back in Richmond and we settled in early, played our "close to the vest game" and beat South Carleton 3-0 to advance to the finals.

In the finals the first game was another disaster 7-2. We again let them play their game - wide open and free wheeling! The second game we took 4-3 in overtime at the Bell Coliseum before at least 1200 roaring Bell Fans. And that last game! Well we had 2 fluke goals scored on us and they had 12 inch goal posts. We had the play, they got the goals. That's hockey!

I feel that this year's team can hold their heads high. We were young, we accomplished more than our objectives and we made Colonel By play like Champions to take the Title. Special mention this year I feel should go to all the veterans from last year's team. When we had to have an all out effort they lead the way! Thanks.

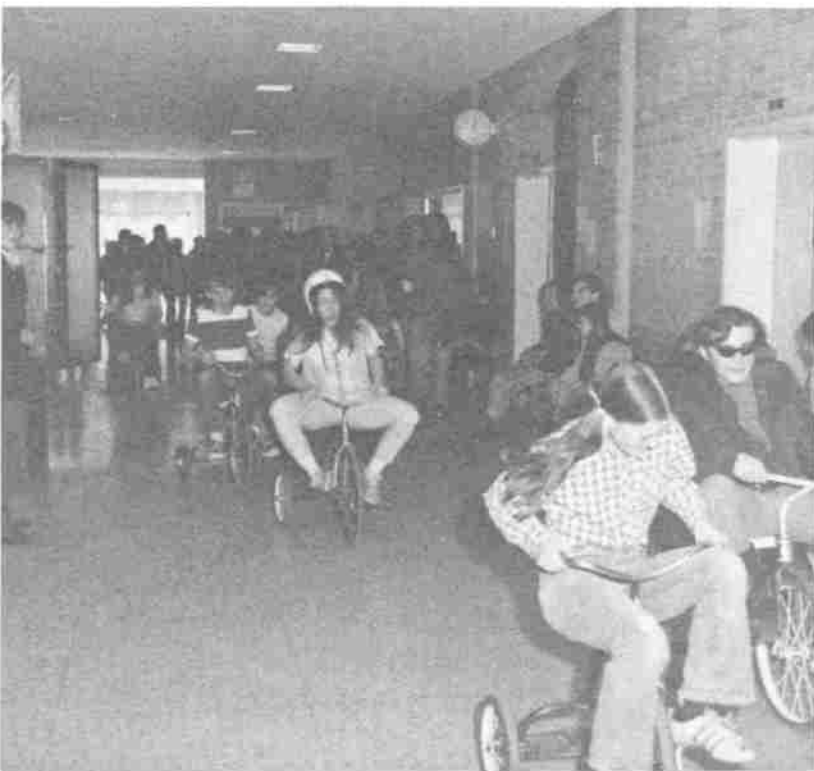

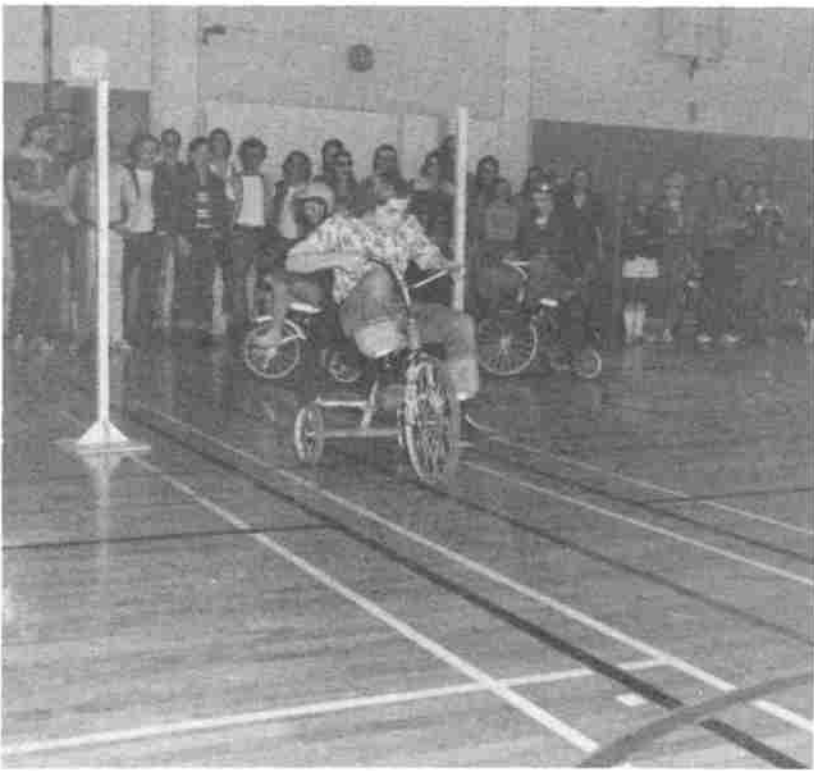

No hockey team has more avid, knowledgeable or vocal fans than Bell--not even the professionals. It is a matter of quality not quantity - wow what support!

Cross-Country

Bell's Cross-Country Running team enjoyed a good season in the fall of 1972. We had full teams in all three categories - Midget, Junior and Senior. Practices took place in the sand pits and around longer courses through the woods of the Green Belt. Bell is most fortunate to have first-class terrain for running, in addition to our quarter-mile track. Our thanks to all the boys and girls who participated in '72. Congratulations especially to Mark Randall and Ian Muir, who had a very good season. We look forward to the fall of '73 and welcome all students who are interested in running for conditioning as well as competitors.

The Senior Boys' mile relay was won by Muir, Brett, Randall, and Griffin. The 440 relay took second place by the team of Dwyer, Brennan Wooster and Burch. The 100 m. was won by Burch and Wooster came third. Randall came in first and made two city records, in the 800 m. and the 1600 m. Muir came in 2nd in the 300 m. In the shot-put Salter came 2nd. For the junior boys Giles won first in the pole vault. The boys mentioned have qualified for the valley finals. Many other boys gained points for the school but finished in 4th and 5th places.

Wrestling

The Bell Wrestlers had a good season this year, but the highlight was the way in which certain individuals fought.

As a team Bell placed 2nd in Carleton West in league standings, 2nd in the Carleton final meet, and 3rd in the Ottawa Valley meet.

Standouts in the Carleton finals were Steve Handley 90, Bob Walker 115, Paul Griffin 130, Dan Griffin 136, Tim Mallory 178, Cam Thompson 194.

Of those who fought in the Ottawa Valley meet Paul Griffin and Cam Thompson placed 2nd in their weight classes, and Tim Mallory placed 1st.

These 3 went to the Ontario finals, and this year Paul Griffin placed 4th in Ontario at 130 lbs. Tim Mallory also entered the Canadian Junior Freestyle tournament and placed 3rd at 180 lbs.

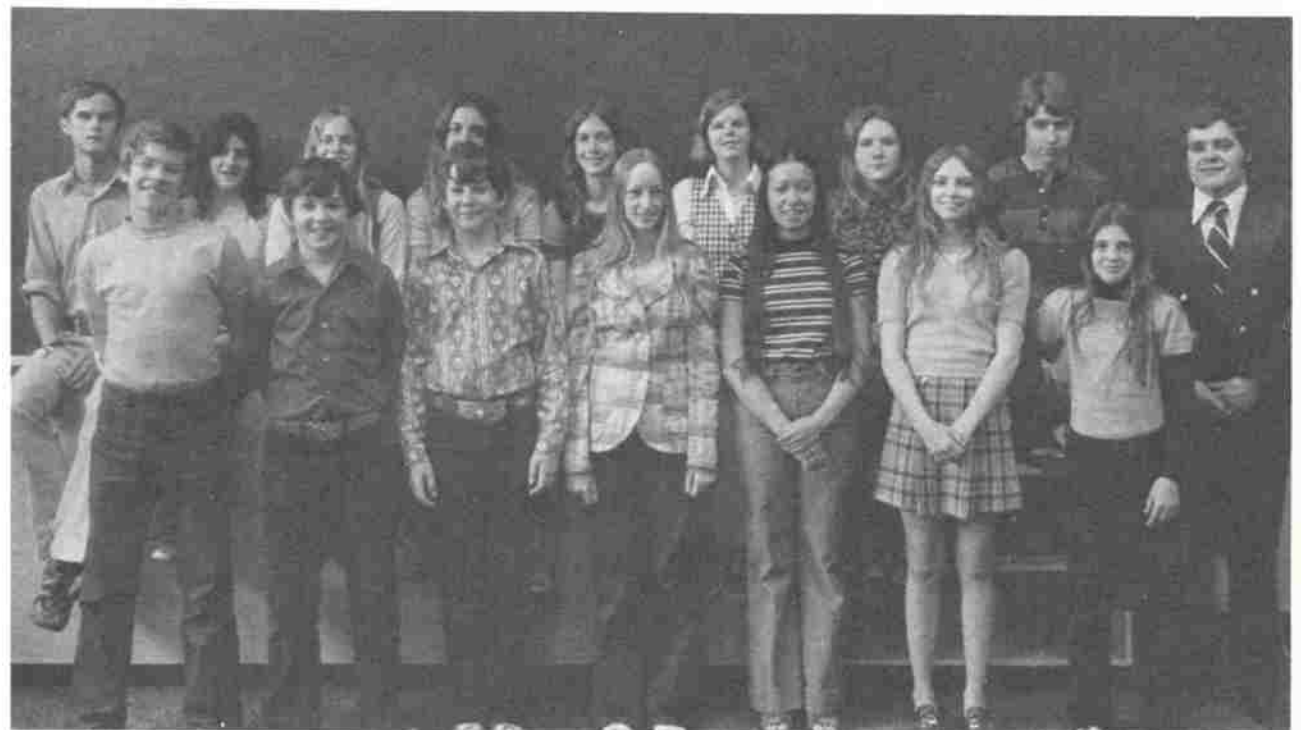

In all, a good year, but with effort from all next year can and will be much better. Second place finishes never feel as good as first.

The Bell High Swim Team has had a discouraging year this year. After recruiting a large group of powerful swimmers and practising faithfully for the all-important meet, we got knocked flat before we even started. It was a terrible show of poor sportsmanship as Bell was kicked out of the Ottawa Valley Championships.

Bell was Carleton Board school, thus had no right to be in the Ottawa High School Swim Meet. I don't think the team would have minded if only we had been told earlier, but to wait until we finished the qualifying heats with very good placings before kicking us out was nothing but poor sportsmanship.

The Senior Soccer Team received good support from the players and had a good turnout for our practices. We had new experienced players in the persons of Doug Kennedy, Colin Harris, and Dave Pollard. During the league games however, we were unable to score goals, and as a result we were not in contention for league honors. Next year we will lose Captain Jeremy Knight, Bruce Atchison, Ken Stewart, and Don Roe who performed well this year.

We wish to thank Mr. Peyton for his interest and encouragement.

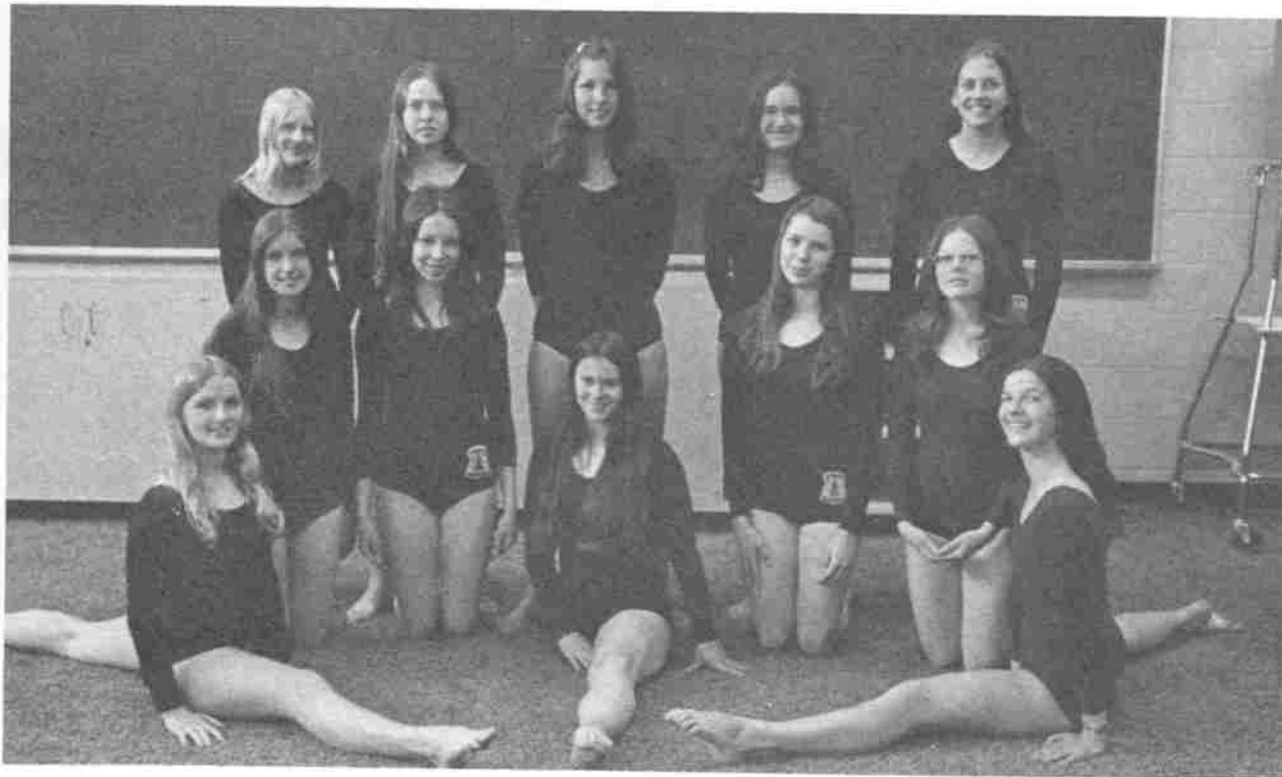

Senior Boy's Soccer

The increasing popularity of this game was reflected by the number of Juniors that turned out at practices, both in the morning before school and at 3:30 P.M. Many of these students played on a regular basis for the team and others played in the two exhibition games against Philemon Wright. More games were won this year than previously, most of those that were lost were by the odd goal. The team did not make the play-offs, but if their enthusiasm does not dwindle, we should make the top four positions next season. Thanks to Mr. LeServe.

Junior Boy's Soccer

BACK ROW; John Sloan, Richard Black, Pat Dwyer, Max Miner, Gary Smith, Mr. LeServe. MIDDLE ROW: Renwick Mendoza, Mark Rickerby, David Speirs, David Mabi, Greg Baleshta, Ricky Hayball. FRONT ROW: Andy Carrier, Dave Sandulo, Mike Kennedy, Steve Handley, Peter Mutch, Gordon Mount.

BACK ROW: Karen Mitchell, Whyne Caves, Cathy Dixon, Linda Higgans, Carol Graham, Karen Gochnauer, Cindy Steves.
FRONT ROW: Carol Ross, Kelly Soles, Jane Roberts, Holly Skinner, Marie Belec.

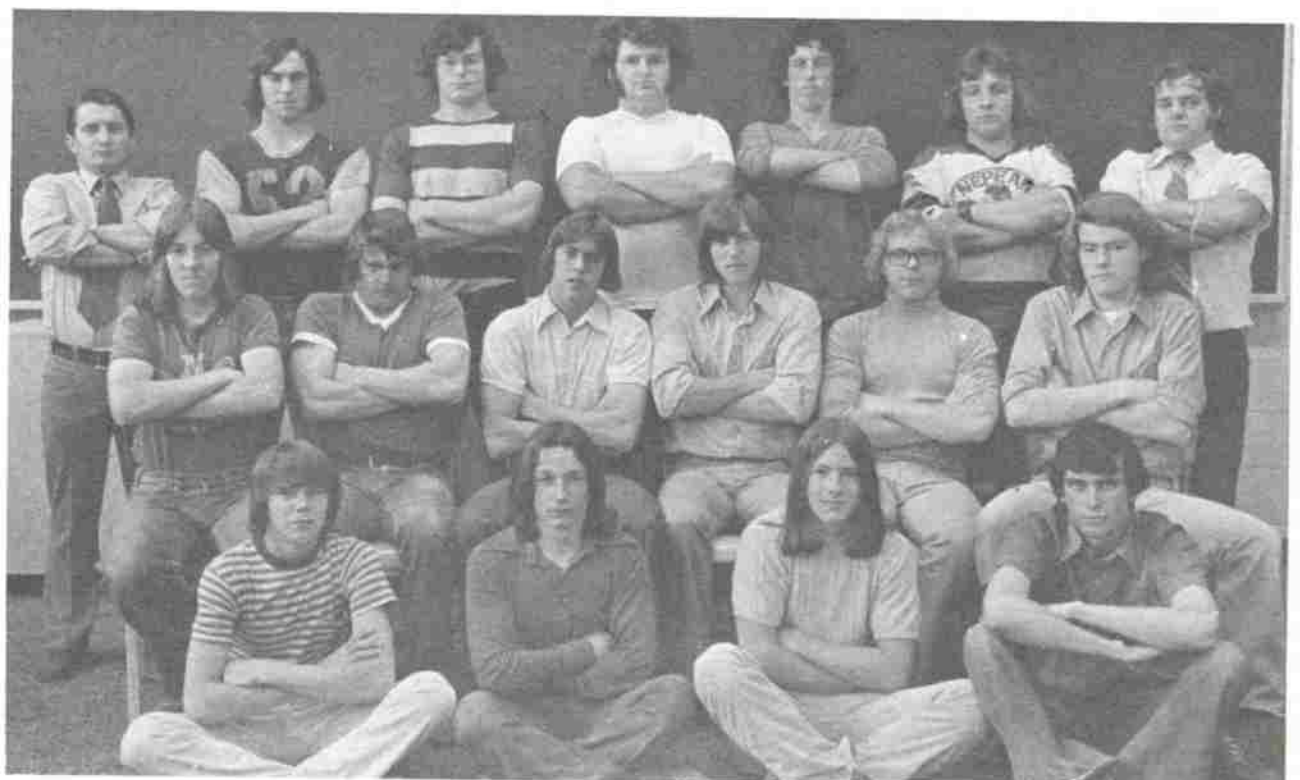

Girl's Gymnastics

This has been the Bell Belle's best year for gymnastics. A really good showing was given by all the girls in every small meet they participated in, particularly the big Carleton meet held at Earl of March. For the first time in the team's history, they won the girls' aggregate and two great kids, Holly Skinner and Carol Ross, qualified to enter the Ontario's held in Toronto.

Ye Olde Rugger Team consists of a group of "rough necks" who mainly wanted to beat the heck out of the other team. They had a great time at it and were the least defeated team in Bell High. There was little competition as Rugger is a rare thing in the Ottawa-Carleton region.

This year the Badminton Team placed third overall in the C. H. S. A. A. Badminton Tournament. We had a first place in Junior Singles, Senior Mixed Doubles, Senior Boys' Doubles, and fifth in Senior Girls' Doubles.

A good effort by all, and good sportsmanship was shown during the season. We had two exhibition tournaments, one held at Bell, the other at Earl of March High School. Thanks Mr. Kawazoy.

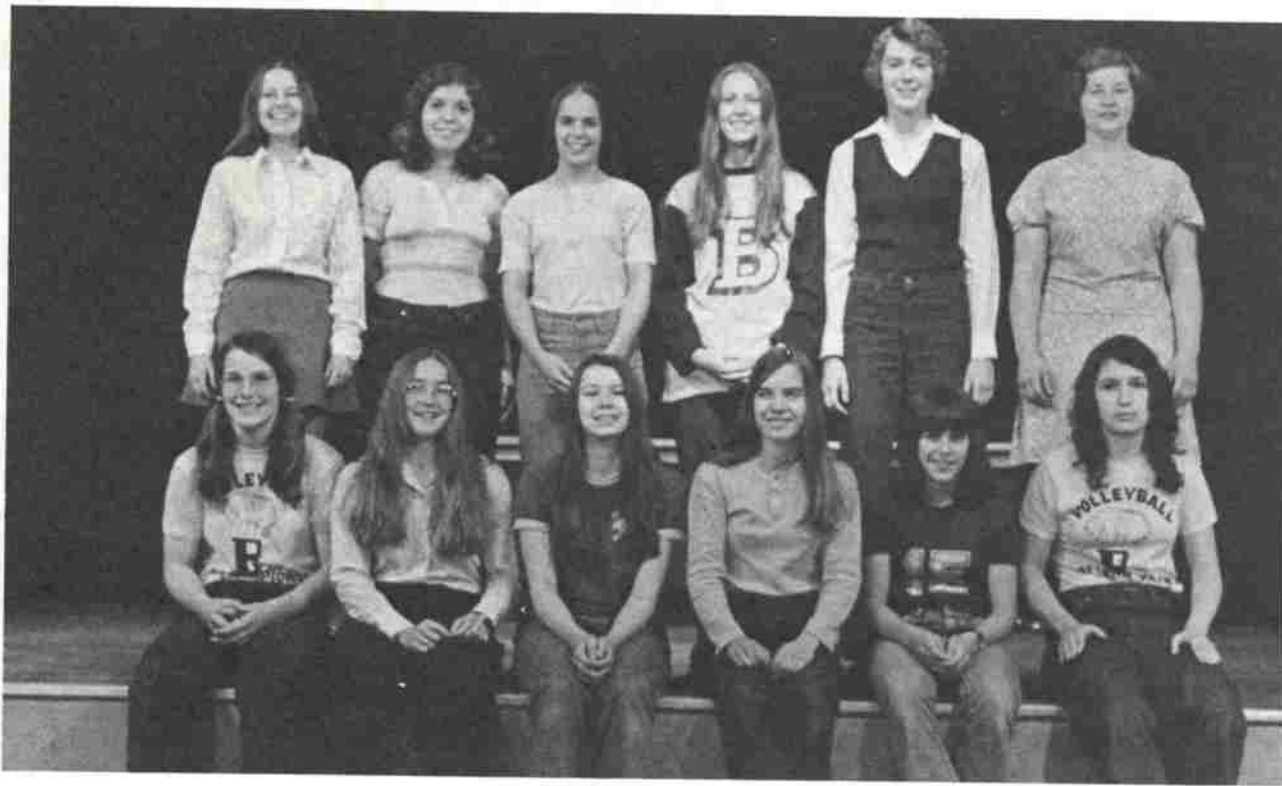

Junior Badminton

Our solid team of senior veterans and the strong junior team are expected to do well in the two tournaments this year. The Carleton tournament is to be held at Gloucester and then there will be the C. O. R. tournament. We hope to send many of our players to the Ottawa Valley Tournament, to be held in Pembroke this year. Everyone is going to be putting all their efforts into it, so keep your ears open for news about that great Bell Badminton Team.

The light of Ten Years

So the dusk is,
Early these bleak autumn days,
While the yellow-white glare
Sprawls yet over glass and varnished wood
And the Bell foyer is gluttoned with light.

Such is the false light of memories
Man builds from the shadows
Of antiquity, of Golden Ages passed
From these he tries to pull himself
And that which he feels is right with him, born to him.

Such is the light of learning
Man takes upon himself in respecting himself
For in this premature darkness of Earth
Man must look to the light of his thoughts
And the glow of his intellect.

Ten years have we stood here, giving to all who ask it
Academic excellence, co-ordination of body and mind,
A consciousness of Man, the conscience of great men,
High standards in all. Such light we pass on
The bricks of Bell are of more than clay.

The Procedures of Being A Child

They never seem to realize
when there is a threat,
For I can't seem to warn them
when I'm going to wet.

It seems to take a little time
to spot this new event,
But when they do they always know
what gives this pleasant scent.

Now, Mom has to change me
but first she gets the pampers,
And safety pins and rubber pants,
Meanwhile, I get much damper.

Then the whole procedure's done,
and Mom goes back to work.
What's that strange sensation?
Oh no! Here we go again.

Getting Back

Mountains bow to the gods of the sky,
and rivers flow from endless sources.
The clouds of cotton start journeys afar,
and in the east there appears a star.
The moon rises on the planet scale,
and the sun drops to snuff out light.
Night appears as a coat of black,
And the forest rests but never sleeps.
It is raining; reviving life,
And it cools the forest for the night.
All moves on in a continuous rhythm,
Halting not nor yielding to man's thumb.

Is There A Difference?

One likes Black
The other White
Two complete opposites
Which one is right?

"You could be my father."
The young man made fun
"It isn't funny,
You could be my son!"

"I'm from my world and
You're from yours.
My world loves peace.
Yours creates wars!"

The young man protested
Till no more could he say
The elder one grinned and said
"Step out of my way!"

Along came a middle one
Honest and true, and said
"I don't know why you're fighting
Why, I'm just as good as you."

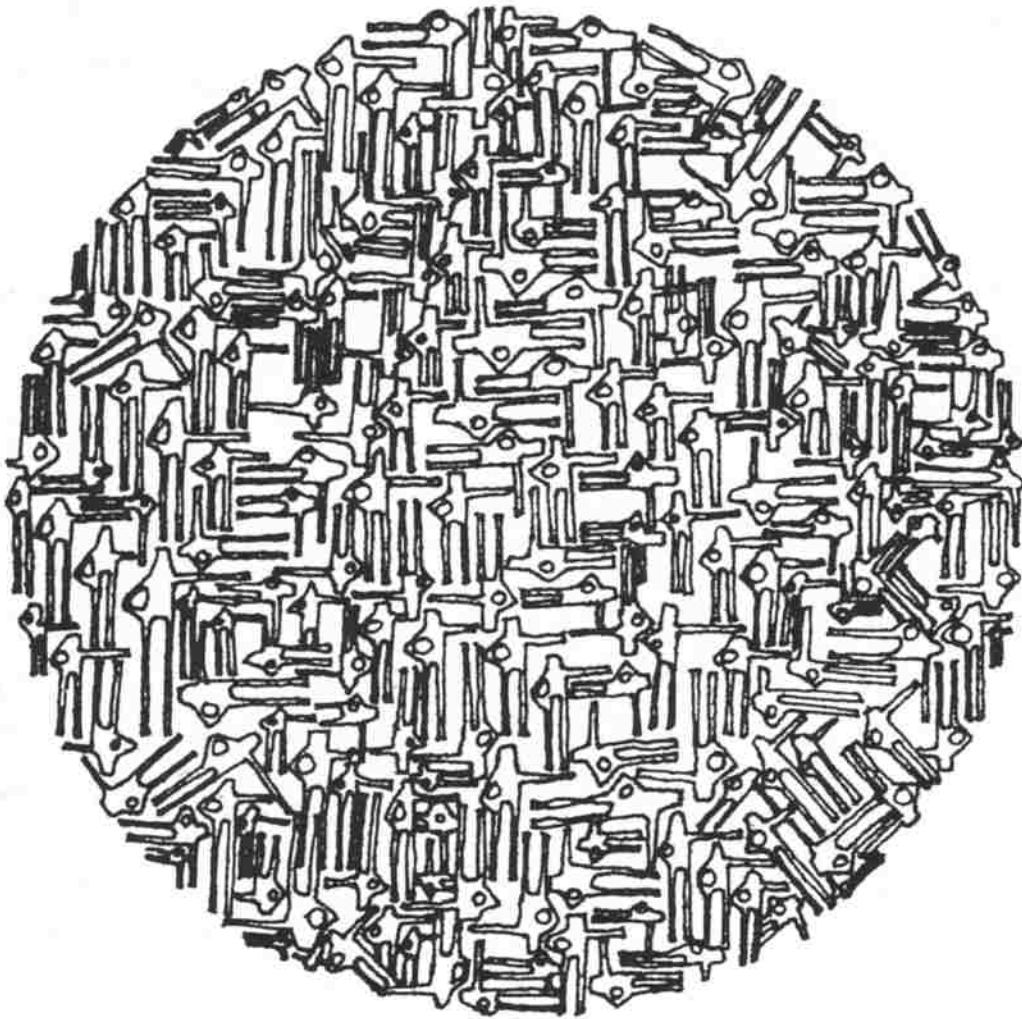

"One is not superior
Neither you or you.
Get along together.
Start your friendship anew.

Speedy Drivers

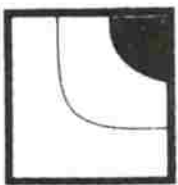

A bird climbed upon the wind,
and said to the turtle below.
Faster living is for me,
Why do you live so slow?
The turtle replied in a sleepy tune,
"It's the only way to go."

This drawing, called "Decision '73", was done by a third-year student in the School of Architecture here at Carleton University. One thing we like about the drawing is that everyone who sees it gets a different impression of what it says about life, and making decisions, and the future.

If you're leaving high school this year, one "Decision '73" that you have to make is where, or even whether, to get a university education. And if you're seriously considering going to university, we'd like you to think a little about Carleton.

Civilization

'Twas in the year three thousand,
There came a brilliant scholar,
Who had studied this atomic age,
And man's worship of the dollar.

No they had no solar government,
Like this interplanetary basis,
Nationalism virtually interment,
And this sub-divided into races.

We see their stilted writings,
See the absence of pure reason;
Rediscovering words like voting,
Patriotism, communism, and treason.

Then the human being individual,
Striving by day or by the hour,
Achievements being most gradual,
Ambitions ultimate being power.

The masses all well conditioned,
With inhibitions and with fears,
Accepting war as the inevitable,
Punctuating every several years.

As the preacher from his pulpit,
And the preceptor in his class,
Follows close on the politician,
A sorry state had come to pass.

Philosophy still a dead subject,
Where psychology was enthroned,
Man aspired to the life eternal,
With all the will he ever owned.

Courage too they'd so distorted,
In this age of decade's strife,
Oh man's thought was so aborted,
He would sacrifice his own life.

Whereat came the true millenium,
Reason's banner 'twas unfurled,
Then strode upon the procenium,
An idealist's "Brave New World".
